Pledge to Drive 25

Out of concern for the safety of children, pedestrians, bicyclists, pets, and other motorists, as well as myself, I hereby pledge to:

- Drive 25 mph or less on neighborhood streets,
- Do my best to observe the speed limit on all other roadways,
- Stop for pedestrians at marked and unmarked crossings,
- Share the road safely with all road users including bicyclists & pedestrians of all ages and abilities,
- Give myself enough travel time so that I'm not sacrificing safety or courtesy,
- Avoid distractions such as my cell phone,
- Devote my full attention to driving,
- Display the "Slow Down in K-Town" bumper sticker or similar message on my vehicle, and
- Encourage others to take this Pledge and make our community more livable.
